## WORK & LEADERSHIP EXPERIENCE

---

**Fourway Designs Ltd.**

**Vancouver, BC**

*Project Manager, Fourway Designs Ltd*

July 2012 – Present

- As Project Manager, and Website Developer at Fourway Designs, I managed the budget and kept track of all company spending, while pitching to Investors and finding locations to buy and renovate.
- I helped organize contractors to renovate apartment complex, build the company's brand, reputation and profile; alongside managing the [online presence](#). After taking over as project manager, the company's net revenue has grown 230%, and expanded into renovating houses alongside apartments.

**Blexo Developments**

**Vancouver, BC**

*Sales and Marketing Intern*

June 2013 – December 2013

- In the earlier months, I helped manage the contracted labor forces, until the showroom was complete. Afterwards, I was apart of the Marketing department running several events pertaining to providing potential tenants with essential information regarding the different types of units within the building (commercial, residential).
- Helping organize advertisements for major media platforms including TV, Brochures, and Radio talk shows.

**Youth Scholars Conferences**

**London, Ontario**

*Co-Founder & Manager*

June 2013 – August 2014

- Youth Scholars Conferences held three different conferences, incorporating a unique sequence of workshops wherein groups of over 100 students gathered to discuss philosophical topics, analyze case studies, and conduct trial court hearings. I led a team of 10 by providing the overall vision, selecting and interviewing keynote speakers, handling logistics, and managing all marketing channels.
