WORK & LEADERSHIP EXPERIENCE

Fourway Designs Ltd.

Project Manager, Fourway Designs Ltd

Vancouver, BC

July 2012 – Present

- As Project Manager and Website Developer at Fourway Designs, I managed the budget and kept track of all company spending, while also pitching to Investors and finding locations to buy and renovate.
- I helped organize contractors to renovate apartment complexes, build the company's brand, reputation and profile; alongside managing the [online presence](#). After taking over as project manager the company has expanded into renovating houses alongside apartments, and offices.

Blexo Developments

Sales and Marketing Intern

Vancouver, BC

June 2013 – December 2013

- In the earlier months, I helped manage the contracted labor forces until the show suite was complete. Afterwards, I was apart of the Marketing department, running several events pertaining to providing potential tenants with essential information regarding the different types of units within the building (commercial, residential).
- Also helped in organizing advertisements for major media platforms including TV, Brochures, and Radio talk shows.

Youth Scholars Conferences

Co-Founder & Manager

Vancouver, BC

June 2013 – August 2014

- Youth Scholars Conferences held three different conferences, incorporating a unique sequence of workshops wherein groups of over 100 students gathered to discuss philosophical topics, analyze case studies, and conduct trial court hearings. I led a team of 10 by providing the overall vision, selecting and interviewing keynote speakers, handling logistics, and managing all marketing channels.
